Invited Presentation. “Neuroscience, Sincerity, and the Law. Workshop on “*Towards a science-driven efficient criminal justice system?*” University of Bergen School of Law, Bergen, Norway. May 28-29

2014 Invited Presentation. “Race, Law and Neuroscience: Some Explicit Concerns with Implicit Bias in the Law.” Symposium on Race, Biological Causation, and Science Communication, Newkirk Center for Science and Society. University of California, Irvine, CA. October 10.

Invited Speaker. ““Slippery Slopes”: When Health Disparities, Political Inclusion and Racial Science Start to Mix.” Celebrating Troy Duster. University of California, Berkeley, CA August 15.

Invited Presentation. “Privatizing Biomedical Citizenship.” 13th Annual Science and Democracy Network Meeting. Aula, Altes AKH Campus, University of Vienna. June 30 – July 2

Invited Participant. “Confronting Disciplinary Differences: Biological Scientists, Social Scientists and the Use of “Race” in Genetics and Genomics” A workshop sponsored by the Radcliffe Institute for Advanced Study and the Project on Race & Gender in Science & Medicine in the Hutchins Center for African and African American Research, Harvard University. Cambridge, MA June 27.

Invited Presentation. “The Procedural Republic and the Unencumbered Brain: Neuroscience and the Biologization of Racism in Law and Society.” 2nd Annual Conference on Governance of Emerging Technologies: Law, Policy, and Ethics. Arizona State University, Phoenix, AZ, May 27-28,

Invited Presentation. “*Race in a Bottle: Law, Commerce and the Production of Race in Biomedicine.*” Individualized medicine in historical perspective: from antiquity to the genome age: An international conference at the Institute of the History of Medicine. Johns Hopkins University, May 15-16, 2014.

Invited Presentation. “Race, Law and Neuroscience.” Science, Identity, and Ethnicity: States and Citizens in Global Knowledge Regimes. Workshop at the Kennedy School of Government, Harvard University, Cambridge, MA April 25.

Invited Commenter: “Patent Law in Comparative Legislative Processes,” by Daniel Habchi, MPLS Theory workshop. University of Minnesota School of Law. April 4.

Guest Lecture. “Why Race Persists in Biomedical Research and Practice.” Anthropology 3036. University of Minnesota, Minneapolis, MN. April 3.

2013 Invited Presentation. “A civil liberties perspective on the patenting of genes,” *Gene Patent Forum*, A LifeScience Alley Featured Program. Robins, Kaplan, Miller & Ciresi LLP Minneapolis, MN. October 15.

“Implicit Bias and the Technical Fix for Racism.” Presentation at the Annual Meeting of the Society for the Social Studies of Science.” San Diego, CA. October 10-12.

Invited Presentation. “Privatizing Biomedical Citizenship.” *Science & Its Publics: Exploring Emergent Forms of Public Engagement*. Newkirk Center for Science & Society University of California, Irvine, CA. October 8.

“Explicit Concerns with Implicit Bias in the Law,” Presentation at the Bi-Annual LatCrit meeting, Chicago, IL. October 4-6.

Invited Presentation. “Medicine is Complex – So is Race.” Panel on *Clinical Best Practices: Improving Care and Reducing Health Disparities*. Conference on Addressing Racial/Ethnic Health Disparities: Best Practices for Clinical Care and Medical Education in the 21st Century. University of Texas, Austin, TX. Sept. 23-24.

Invited Lecture. “The Troubling Persistence of Race in Biomedicine.” Program Group ‘Anthropology of Health, Care and the Body’ Amsterdam Institute for Social Science Research (AISSR). University of Amsterdam, Netherlands. June 24.

Master Class Presentation : *Race in a Bottle: Law, Commerce and the Production of Race in Biomedicine*. Royal Netherlands Academy of Arts and Sciences. RNAAS-Hendrik Muller Summer School on Race and Racialization. Amsterdam, Netherlands. June 19.

“Privatizing Biomedical Citizenship.” Presentation at the Annual Health Law Professors Conference, Seton Hall University School of Law, Newark, NJ. June 6.

Featured Panelist. “Author Meets Reader - *Race in a Bottle: Racialized Medicine in a Post-Genomic Age*.” Annual Meeting of the Law & Society Association, Boston, MA. May 31.

Invited Speaker. “Privatizing Biomedical Citizenship.” 1st Annual Conference on Governance of Emerging Technologies: Law, Policy, and Ethics. Arizona State University, Phoenix, AZ, May 20-21,

Invited Panelist. “The Global Situation of Postcolonial Medicine,” *Medicine on the Edge*, a workshop sponsored by the Department of Anthropology, University of California, Santa Cruz, CA, May 3-4.

“Producing Race as Biology: The Cycle of Race, Law, and Commerce.” Presentation on the BioLaw Panel at the Annual Meeting of the American Association of Law Schools, New Orleans, LA, January 4.

2012 Invited Opening Plenary Speaker: “Telling the Biopolitical Story.” Tarrytown Meetings on Genomics and Society. Tarrytown, NY. July 23-25.

World Café Table Host/Facilitator. Annual Health Law Professors Conference, Arizona State University School of Law, Tempe, AZ. June 7.

Invited Plenary Session Speaker. “Gene Patenting and Its Impact on Access.” Why We Can’t Wait: Conference to Eliminate Health Disparities in Genomic Medicine. University of Miami, Miller School of Medicine, Miami, FL. May 31-June 1.

Invited Presentation. “Mandating race: How the USPTO is forcing race into biotechnology patents.” ESRC Genomics Network Conference: Genomics in Society: Facts, Fictions & Cultures. British Museum, London, GB. 23 - 24 April 2012

Guest Lecture. “Law, Race, and Bioethics.” Law 907 Law and Bioethics. Loyola University School of Law. Chicago, IL February 15.

Invited Presentation. “Race in Bottle.” Science and Technology Studies Circle Seminar, Harvard University, Cambridge, MA. Feb. 13

2011 Invited Presentation. Conference on “Research Ethics: Reexamining Key Concerns.” Wake Forest University Center for Bioethics, Health, and Society, Wake Forest, NC. Nov. 10-11.

Invited Instructor. Science and Society Summer School sessions on “The Human Animal.” Sponsored by the European Molecular Biology Laboratory (EMBL) and the European Molecular Biology Organization (EMBO). Heidelberg, Germany. August 1-5.

Invited Presentation. “Mandating Race: How the PTO is Forcing Race into Biotechnology Patents.” Tarrytown Meetings on Genomics and Society. Tarrytown, NY. July 26-28

Invited Presentation. “Mandating Race: How the PTO is Forcing Race into Biotechnology Patents.” Annual Meeting of the Science and Democracy Network. Harvard University. Cambridge, MA. June 30-July 2.

“The Expanding Embrace of Race in Biomedical Research and Product Development.” Annual Health Law Professors Conference, Loyola University School of Law, Chicago, IL. June 10.

Invited Participant. NIH Workshop on “Mapping “Race” and Inequality: Best Practices for Theorizing and Operationalizing “Race” in Health Policy Research.” University of New Mexico, Albuquerque, NM. April 29-30.

Invited workshop leader. National Human Genome Research Institute Annual ELSI Congress: Exploring the ELSI Universe: Ethical, Legal and Social Implications Research Program. Center for Society and Genomics. University of North Carolina, Chapel Hill, NC, April 12-14.

“Mandating Race: How the PTO is Forcing Race into Biotechnology Patents.” Presentation at the National Human Genome Research Institute Annual ELSI Congress: Exploring the ELSI Universe: Ethical, Legal and Social Implications Research Program.

Center for Society and Genomics. University of North Carolina, Chapel Hill, NC, April 12-14.

Invited presentation. Symposium on “The Synthetic Cell: Bioethics, Law, and the Implications of Synthetic Life.” Valparaiso University School of Law. Valparaiso, IN. March 25.

Invited presentation. “Law, Commerce and the Re-emergence of Racial Medicine in a Post-Genomic Age.” Emory University School of Law. Atlanta, GA. March 14.

Guest Lecture. Race, Law and Medicine. University of Minnesota School of Law. Minneapolis, MN February 17.

“Synthetic Hype.” Presentation on the BioLaw Panel at the Annual Meeting of the American Association of Law Schools. San Francisco, CA. January 5-8.

2010 “The Expanding Embrace of Race in Pharmacogenomics.” Paper presented at the Annual Conference of the American Society for Bioethics and the Humanities. San Diego, CA. October 21-23.

Mandating Race: How the PTO is Forcing Race into Biotechnology Patents.” Paper Presented at the Annual LatCrit Meeting, October 8-9, Denver, CO.

“The Expanding Embrace of Race in Biomedical Research and Development.” Paper presented at the Annual Joint Meeting of the Society for the Social Studies of Science and the Japanese Society for Science and Technology Studies, Tokyo, Japan. August 25-28.

Invited plenary presentation. “Framing Remarks.” Tarrytown Meetings on Genomics and Society. Tarrytown, NY. June 27-29

Invited presentation. “Race, Biomedicine and Justice.” Tarrytown Meetings on Genomics and Society. Tarrytown, NY. June 27-29

Invited presentation. Medical Grand Rounds. “What is the Place of Race in Biotech Patenting and Drug Development?” Mayo Clinic. Rochester, MN, July 7.

Invited presentation. “Putting Racial Drugs in Context.” AAA Race Exhibit, Rochester Public Library. Rochester, MN, July 7.

Invited presentation. "Ethical, Legal and Social Implications of the Continued Use of Racial Categories in Biotechnology" Presentation at the Amsterdam International Scientific Conference - Ten Years After: Mapping the Societal Genomics Landscape. Amsterdam, Netherlands, May 27-28.

Invited presentation. "Not Fade Away: Race and the Politics of the Meantime in Biotech Patenting and Drug Development." University of Pennsylvania Center for

Integration of Genetic and Healthcare Technologies (Penn CIGHT), Philadelphia, PA, April 15.

Invited presentation. "The Persistence of Race in Biotech Patenting and Drug Development" Presentation at the University of Alberta, Health Law Institute, Edmonton, Alberta, March 25.

"Biolaw and Race in Drug Development" Paper presented as part of the Inaugural Biolaw Panel. Annual Meeting of the American Association of Law Schools, New Orleans, LA, January 7-9.

2009 Invited Presentation. "Segregation Anew? The Rise of Pharmacogenomics and the Implications for Race in America." Ethical, Legal, and Social Implications (ELSI) Personal Genomics Seminar Series. Ford School of Public Policy. University of Michigan, Ann Arbor, MI. December 8

Invited Presentation. "The power of race as a residual category in pharmacogenomic product development and marketing." Presidential Session, Annual Meetings of the American Anthropological Association, Philadelphia, PA., December 4-6.

"The Persistence of Race in Biotech Patenting and Drug Development." Paper presented at the Annual meetings of the Society for Social Studies of Science, Washington, DC. October 30.

"Race and Forensic DNA: A Concept Whose Time Has Passed." Paper presented at the Fourteenth Annual LatCrit Conference, Washington, DC, October 5.

Guest Lecture. "Race, Medicine, and Power." Anthropology 3003. University of Minnesota, Minneapolis, MN. September 24.

Invited Presentation. "The Persistence of Race in Biotech Patenting and Drug Development." The 5th International DNA Sampling Conference" The Age of Personal Genomics. Banff, Alberta, Canada. September 16-18.

Invited Presentation. "The Persistence of Race in Biotech Patenting and Drug Development." Annual Meeting of the Science and Democracy Network. Harvard University. Cambridge, MA. June 29-July 1.

Panel Chair and Discussant, "Race and Ethnicity in Medicine: Law and Policy Implications." Annual Meeting of the Law and Society Association, Denver, CO. May 28-31.

Invited Presentation. "Think-Tank Meeting on Race and Ethnicity in Cardiovascular Clinical Trials: Historical Disparities, Current Barriers and Future Opportunities" Duke Clinical Research Institute, Duke University Medical Center, Centers for Disease Control and Prevention. Pentagon City, Arlington, VA. April 16-17.

Invited Presentation. "The Persistence of Race in Biotech Patenting and Drug Development" 21st Annual St. Louis University Health Law Symposium: Living in the Genetic Age." St. Louis, MO. March 19.

Invited Presentation. "From Disparity to Difference: Genetics and Health Disparities." Symposium on "Justice and Administrative Process." Sponsored by Hamline University School of Law, the Hamline Journal of Public Law and Policy and the Southern Minnesota Regional Legal Service (SMRLS). March 12.

Invited Presentation. "Race, Medicine and Money: Contextualizing the Emergence of "Ethnic" Drugs" University of Minnesota School of Medicine, Minneapolis, MN, March 9.

Guest Lecture. "Life for Sale." Global Studies 3305. University of Minnesota, Minneapolis, MN. February 19.

2008 Invited presentation. Seminar on Race, Science and Law. Center for Research in Law, Science and Technology, Université de Paris, Paris, France. December 16.

Invited participant and panel discussant. Conference on DNA, Race and History. Center for Race and Ethnicity, Rutgers University, New Brunswick, NJ, November 7.

Invited presentation on Race and Forensic DNA Evidence. "The CSI Experience." Minnesota Museum of Science, St. Paul, MN October 14.

Invited participant and panel discussant. Conference on forensic DNA databanks and racial disparities in the criminal justice system. Co-Sponsored by the Council for Responsible Genetics and New York University Department of Sociology. New York University, New York, NY. June 19-20.

Guest Lecture. "Race, Genes, and Public Health." University of Minnesota Public Health Institute. Minneapolis, MN. June 9.

Paper Presentation and Panel Chair. "Patenting Race in a Genomic Age." Panel on *Biotechnology, Bioethics, and the Law--When Patents and Trademarks Go Bad: Sex, Drugs, and Rock and Roll*. Annual Meeting of the Law and Society Association, Montreal, Canada, May 29-31.

Invited Presentation. "BiDil and Beyond: The Legal and Political Implications of 'Ethnic' Drugs." Workshop on Race and the Watson Affair: DNA in a Digital Age. Genome BC and School of Communication and Simon Fraser University, Vancouver, Canada, May 16.

Invited Presentation. "The Place of Race in Gene Patenting and Drug Development." Conference on Translating the Ethical, Legal and Social Implications of Genomics. Case Western Reserve University. Cleveland, OH. May 1-3.

Invited Presentation. "Race, Genes, and Justice: What Does Race Add to the Presentation of Forensic DNA Evidence." Massachusetts Institute of Technology, Cambridge, MA, April 24-26.

Invited Presentation. "Race and Forensic DNA: A Concept Whose Time has Passed." Conference on DNA, Race and History. Center for Race and Ethnicity, Rutgers University, New Brunswick, NJ, April 18-19.

Invited Presentation. "Race, Genes and Drugs: Legal and Political Implications." Workshop on Race and Genetic Ancestry. McLaughlin-Rotman Centre for Global Health, University Health Network/University of Toronto and the Health Law Institute at the University of Alberta. Toronto, Canada. April 8-9.

Invited Lecture. "Race, Medicine, and Money: Contextualizing the Emergence of "Ethnic" Drugs." Studies of Science and Technology Colloquium sponsored by the Minnesota Center for Philosophy of Science and the Program in the History of Science and Technology. University of Minnesota, Minneapolis, MN. March 28.

Invited Lecture. "Genes, Race and Medicine: Strategic Reification as an Instrument of Backlash. Hampshire College, Amherst, MA. March 10

Invited Participant. "Conceal, Carry, Control and the Constitution – A Debate on Gun Rights." Sponsored by the Warren Burger Inn of Court, St Paul, MN, February 20

Panel Chair. "Are Market Incentives a Bane or a Boon to Biodiversity?" Annual Meeting of the American Association of Law Schools, New York, NY, January 3.

2007 Invited Plenary Presentation. "The Two (Institutional) Cultures: A Consideration of Structural Barriers to Interdisciplinarity." Conference on "Unhealthy Professional Boundaries? Working Together in Health and Social Care." University of London, London, UK, December 4-5.

Invited Presentation: "Inventing Race as a Genetic Commodity in Biotechnology Patents." University of North Carolina School of Law, Chapel Hill, NC. November 6.

Invited Lecture. "The Segregated Genome: Exploring the Intersections of Law, Commerce, and Race in Biotechnology." Rock Ethics Institute, Pennsylvania State University, State College, PA. October 25.

"Ways of knowing race and heart disease across regulatory regimes." Paper presented at the Annual Conference of the Society for the Social Studies of Science, Montreal, QB, Canada, October 11.

"Race-ing Patents/Patenting Race: An Emerging Political Geography of Intellectual Property." Paper presented at the Twelfth Annual LatCrit Conference, Miami, FL,

October 5.

Invited Presentation. *TILT Lectures on Law, Technology, and Society*. “Race, Commerce and Law in Biotechnological Innovation.” Tilburg Institute of Law and Technology, Tilburg, Netherlands. June 5.

Invited Plenary Presentation. “‘One Drop of Correlation’: Regulating Race in Biomedicine.” Conference on Statistics as a Boundary Object Between Science and the State. Norwegian University of Science and Technology. Trondheim, Norway, May 14-16.

Invited Presentation. “The Politics of Personalized Medicine.” St. George’s Hospital, University of London, London, England. May 1.

Invited Presentation. “Patenting Race in Genomic Age.” Conference on the Business of Race and Science. Massachusetts Institute of Technology, Cambridge, MA, March 30-31.

Invited Discussant. Plenary Panel on “Understanding Genetics, Race and Human Variation.” American Anthropological Association, *RACE* Project, Conference on Race, Human Variation, and Disease: Consensus and Frontiers. Airlie Center, Warrenton, Virginia. March 14-17.

Invited Presentation. “Evaluative Approaches in Intellectual Property Genomics Policy.” Genomics and Intellectual Property Workshop. ESRC Genomics Policy and Research Forum, University of Edinburgh, Edinburgh, Scotland. February 12-13.

2006 Invited Presentation. “Minorities in Research: Moving from Disparities to Equity.” 2006 Annual HRPP Conference: A Commitment to Ethical Research: Advancing the Mission of Human Research Protection Programs. Washington, DC, November 15-18.

“Patenting Race in a Genomic Age.” Paper presented at the Annual Conference of the Society for the Social Studies of Science, Vancouver, BC November 3-5.

Invited Presentation. “Legal and Ethical Issues in Personalized Medicine.” Workshop on Personalized Medicine. California Health Endowment, University of Southern California Annenberg School of Journalism. San Diego, CA. October 1.

Invited Presentation. “Capitalizing Race in Biotechnology Patents.” International Conference on Intellectual Property Rights for Business and Society. Birkbeck, University of London, London, UK. September 14-15.

Invited Presentation. “From Disparity to Difference: Legal and Ethical Issues of Race and Genomics in Health Disparities Research.” A National Conference on Race, Genomics and Health Disparities sponsored by NCMHD Center of Excellence in Nutritional Genomics, in conjunction with the NIH Pharmacogenetics Research

Network. Oakland, CA. August 18-19.

Invited Plenary Presentation. “Race and Pharmacogenomics: What’s an Epidemiologist to Do?” Scientific Workshop of the Minority Affairs Committee of the American College of Epidemiology. Seattle, WA. June 20.

Invited Presentation. “Race-ing Patents/Patenting Race.” Con/Texts of Invention: A working conference of the Society for Critical Exchange. Case Western Reserve University, Cleveland, OH, April 20-22.

Invited Plenary Presentation, “Putting BiDiI in Context: Law, Commerce and Racial Drugs.” Conference on Race, Pharmaceuticals, and Medical Technology, Massachusetts Institute of Technology, Cambridge, MA, April 7-8.

Invited Presentation. “Harmonizing Race in International Drug Development.” Conference on Globalization and Pharmaceutical Development. Santa Clara University School of Law, Santa Clara, CA, March 16-18.

Invited Guest Lecture. “Race and Genomics.” Anth 3306 Medical Anthropology. Department of Anthropology. University of Minnesota, Minneapolis, MN, January 26.

Invited Guest Lecture. “The Impact of Genomics on Drug Development and Marketing.” PubH 6161 Regulatory Toxicology, University of Minnesota, School of Public Health, Minneapolis, MN, January 23.

Invited Presentation. “Revisiting Race in a Genomic Age: A Public Forum on Race-Based Drug Design.” Center for Biomedical Ethics, Stanford University, Palo Alto, CA January 10.

Invited Participant. “Revisiting Race in a Genomic Age.” An authors’ conference sponsored by the Center for Biomedical Ethics, Stanford University, Palo Alto, CA January 9-10.

Invited Presentation. “Race, Markets and the Future of Pharmaceutical Development. Annual Meeting of the American Association of Law Schools, Washington, DC, January 5.

2005 Discussant. “The Molecularization of Race and Identity.” Invited Session. Annual meeting of the American Anthropological Association. Washington, D.C., December 1.

Invited Participant, “The Genomic Revolution: Implications for Treatment and Control of Infectious Disease,” 3rd Annual National Academies Keck *Futures Initiative* Conference, Irvine, CA, November 10-13.

“Commerce and Accountability in Race-Specific Drug Development” Paper presented at the Annual Conference of the Society for the Social Studies of Science, Pasadena, CA, October 20-22.

Invited Presentation. “The Complexities of Race-Specific Drugs.” Genomics Interest Group, Minnesota Department of Health. Minneapolis, MN, June 1.

Workshop Leader. “ELSI and Genomics.” Second Minnesota Conference on Genomics and Public Health: Collaboration, Communication, Integration, and Application. Sponsored by the Minnesota Department of Public Health. St. Joseph, MN. May 12.

Invited Presentation. “From Disparity to Difference: How Race-Specific Medicine May Undermine Policies to Address Inequalities in Health Care.” Heller School of Social Policy, Brandeis University, Waltham, MA, March 17.

Invited Presentation. “Marketing Race and/as Genes in Drug Development: A Case Study in Strategic Reification.” Symposium on Race, Genes, and Medicine, Duke University, Durham, NC, March 3.

Invited Presentation. “Dropping the BiDiL Bomb: Race and Medicine.” University of Minnesota School of Medicine, Minneapolis, MN, February 9.

2004 “Regulating Race.” Paper presented at the Joint Conference of the Society for the Social Studies of Science and the European Association for the Study of Science and Technology, Ecoles des Mines, Paris, France, August 25-28.

Invited Presentation. “Proposed Regulatory Guidelines for the Use of Race and Ethnicity as Categories in Federal Funded Biomedical Research and Clinical Practice.” Human Genetics Variation Consortium. National Human Genome Research Institute, Rockville, MD, July 16.

Invited Presentation. “Racial Categories and Conundra in Biomedical Research.” Institute for the History of the Production of Knowledge, New York University, New York, NY, May 4.

Invited Presentation. “Languages of Race and Regulation.” Conference on “Race, Genetics, and Disease”. University of Wisconsin. Madison, WI, April 16-17.

Invited Presentation. “Privacy and Identity: Constructing, Maintaining and Protecting Personhood.” *DePaul Law Review* Symposium. DePaul University College of Law, Chicago, IL, March 13.

Invited Guest Lecture. “Law and Racial Profiling in Medicine.” St. Thomas School of Law. Minneapolis, MN. March 30.

Invited Lecture. “How a Drug Becomes Ethnic: Law, Commerce, and the Production of Group Categories in Medicine.” Kennedy School of Government, Harvard University, Cambridge, MA. March 5.

Invited Panelist. “Who Owns DNA?” Town Hall Meeting on “The Genomic Future,” Sponsored by the Weisman Art Museum, University of Minnesota, Minneapolis, MN, February 28.

Invited Lecture. “Race, Genes, and Patents: Policy Proposals for Federal Regulation.” University of Santa Clara School of Law, Santa Clara, CA, February 11.

Invited Presentation. "Regulating Race: Statistics, Patenting, and the Troubling Emergence of 'Ethnic' Drugs." Faculty Workshop on "Revisiting Race and Ethnicity in the Context of Emerging Genetic Research," Center for Biomedical Ethics, Stanford University Medical School, Palo Alto, CA, January 22.

2003 Invited Lecture: “Race, Genes, and Patents: Policy Proposals for Federal Regulation.”

Boston University School of Law, Boston, MA, December 3.

Invited Grand Rounds Presentation “The Curious Life of Race-Based Mortality Statistics for Heart Failure.” Department of Medical Education, University of Illinois School of Medicine, Chicago, IL, November 19.

Invited Presentation. Symposium on “Genetics and Race.” University of Illinois, Chicago. Chicago, IL, November 17-18.

Invited Lecture. “Race, Genes, and Patents: Policy Proposals for Federal Regulation.” Hamline University School of Law, Minneapolis, MN. October 28.

“Race-ing Patents/Patenting Race: An Emerging Political Geography of Intellectual Property in Biomedicine.” Paper presented at the Annual Conference of the Society for the Social Studies of Science, Atlanta, GA, October 15-18.

“Race-ing Patents: How Law and Commerce Created an ‘Ethnic’ Drug.” Paper presented at the annual conference of the Law & Society Association, Pittsburgh, PA, June 5-8.

2002 “How a Drug Becomes ‘Ethnic’: Law, Commerce and the Use of Racial Categories in Medicine.” Paper presented at the Annual Conference of the Society for the Social Studies of Science, Milwaukee, WI, November 7-10.

“Dignity, Science, and the Market: Competing Ideals in the Arena of Patenting Human Genetic Material.” Paper presented at the Annual Conference of the Association for the Study of Law, Culture & the Humanities, University of Pennsylvania, Philadelphia, PA, March 7-8.

- Invited Presentation. “Naming Genes: Patenting and the Legal Construction of Authority Over Human Genetic Material.” Center Seminar Series, Center for Bioethics, University of Minnesota, Minneapolis, MN, January 11.
- 2001 Invited Panelist. “Exploring the Life Sciences, Values and Society: Existing and Future Possibilities.” Jerome Wiesner Symposium on “Braving the New World: Benefits and Challenges of Genetic Knowledge.” University of Michigan, Ann Arbor, MI, December 7-8.
- “Genetic Citizenship: Biotechnology and the Molecular Reconfiguration of the Liberal Subject of Rights.” Paper presented at the Annual Conference of the Society for the Social Studies of Science, M.I.T., Cambridge, MA, November 4.
- Invited Presentation. “Unencumbered Genes: Utility, Patents, and the Liberal Subject of Rights.” Conference on *Owning-Up: Bodies, Selves, and the New Genetic Property*, John F. Kennedy School of Government, Harvard University, May 4-5.
- 2000 Invited Presentation. “What’s the Use? Law and Ideology in Patenting Genetic Material.” Faculty Works in Progress, University of Minnesota School of Law, October 18.
- Invited Panelist. “ELSI Issues on Trial.” People’s Genome Celebration, Smithsonian Institution, National Museum of History, Washington, D.C., June 8-10.
- “Identifying the Corporation: The Legal Configuration of Corporate Personality in Early 20th Century America.” Paper presented at the annual conference of the *Law and Society Association*, Miami, FL, May 28.
- Invited Discussant. Panel on “Property” at *Rethinking ELSI: Science and Social Responsibility in the Post-Genomic Age*, John F. Kennedy School of Government, Harvard University, Cambridge, MA, May 15-16.
- 1999 Invited Lecture. “The Legal Management of Identity in Early 20th Century America.” Department of History, Holy Cross College, Worcester, MA, January 19.
- 1998 Invited Lecture. “When Moore is Less: Law and Identity in the Realm of Biotechnology.” Department of Sociology, Harvard University, April 4.
